Calacatta Caldia

Reference Code: BC-DC-013 | Origin: Carrara, Tuscany, Italy

DESCRIPTION

Elegant white marble with subtle grey veining on a warm white background. Similar to Calacatta Carrara but with more delicate veining. Excellent value for projects seeking the Calacatta aesthetic at a more accessible price point.

PHYSICAL & MECHANICAL PROPERTIES

Property	Test Method	Typical Value
Apparent Density	EN EN 1936	2,702 kg/m³
Water Absorption	EN EN 13755	0.16 %
Flexural Strength	EN EN 12372	14.8 MPa
Compressive Strength	EN EN 1926	128 MPa
Abrasion Resistance	EN EN 14157	2.7 mm
Frost Resistance	EN EN 12372	Passed (100 cycles)
Thermal Expansion	EN EN 13755	2.7 × 10■■ /°C

AVAILABLE FINISHES

Polished	Honed	Leather	Brushed	Sandblasted	Bush Hammered
